Founded in 1947, Walsingham Academy is a Catholic, co-educational, independent school, serving students from pre-kindergarten through 12th grade and sponsored by the Sisters of Mercy. Situated on 30 acres of wooded land, the Academy is located in Williamsburg, Virginia, a city of more than 15,000. Admission to the Upper School is selective, based on standardized test scores, grades, teacher recommendations, and personal interviews.

Walsingham Academy is a distinguished Catholic, Christ-centered community for academic excellence. The Academy is dedicated to the growth of each individual— spiritual understanding, intellectual achievement, physical well-being, and social responsibility. Walsingham emphasizes the Mercy commitment to serve persons in need. Students participate in service opportunities, which enable them to explore what it means to put the values of service and compassion into action. Such service experiences provide students with a richer context for their rigorous academic endeavors. Upper School students average over 6,000 community service hours as a student body each year.

Walsingham Academy is accredited by the Southern Association of Colleges and Schools (SACS/AdvancED) and the Mercy Education System of the Americas (MESA). The Academy is also a member of the National Association of Independent Schools (NAIS) and the National Catholic Education Association (NCEA).

Graduation requirements for Walsingham Academy are as follows:

Foreign Language	3 units of 1 language or 4 units of 2 languages
Mathematics	4 units
